

# The Jolly Nailor

Is an AllGates pub.  
Beer locally brewed in Wigan.

Why not try a guided tour of All Gates Brewery – plus complimentary sampling of our wonderful beers?

Evening tours of the brewery are available Monday to Saturday. Friday and Saturday night tours are extremely popular, so these particular nights need to be booked well in advance. All tours begin at 7.00pm prompt but earlier start times can be accommodated by prior arrangement.

Enjoy a beer in our hospitality bar whilst your guide describes some of the building's history and background to All Gates Brewery. Next take a guided tour of the building, where each step of the brewing process will be explained. The tour takes approximately 20 minutes. Then retire to our hospitality bar where you can sample some of our fine beers.

If required a traditional Wigan 'Pie & Pea' supper can be provided Monday to Thursday and is included in the price. A vegetarian alternative is available on request.

To obtain available dates and to arrange your tour please call Liane or Julie now at the brewery on 01942 234976 or go to the Allgates website, complete the form and send a Brewery Tour enquiry.
